SUMMARY

Analytical Full Stack Developer (.NET & MEAN Stack) and winner of the **DEPI national competition**. Combines strong technical expertise in software engineering with practical experience in classroom coordination and tutoring. Currently a Coding Instructor at **iSchool**, managing physical cohorts and operations for youth programs. Highly communicative, adaptable, and skilled at simplifying logical and computational thinking concepts for diverse student backgrounds.

EDUCATION

Bachelor of Computer Science

Faculty of Computers and Information, Zagazig University

Graduated: Jun. 2026

Cumulative Grade: Very Good

PROFESSIONAL EXPERIENCE

Coding Instructor (Part-Time / Physical Program)

iSchool

Jun. 2026 – Present

Sharqia, Egypt

- Coordinated physical instructional sessions for the **DEMI 3rd Intake** program, managing assigned student cohorts (G-1270, G-1271).
- Utilized iSchool's Learning Management System (LMS) to track student progress, log attendance, and monitor engagement.
- Managed daily classroom logistics, student check-in/check-out workflows, and submitted operational reflection reports.

Private Mathematics Tutor (High School)

Self-Employed

2023 – 2024

Zagazig, Egypt

- Taught mathematics curriculums to high school students, focusing on strengthening logical reasoning and foundational problem-solving skills.
- Evaluated student progress, designed targeted assessments, and created an encouraging learning environment.

MEAN Stack Developer (Professional Training)

National Telecommunication Institute (NTI)

Feb. 2026 – May 2026

Offline

- Completed an intensive 210-hour full-stack program focusing on **JavaScript**, **TypeScript**, and **Node.js**.
- Developed and debugged server-side applications integrated with **MongoDB** and **Angular 17/19**.

Core Team Member (Backend & System Analysis)

Digital Egypt Pioneers Initiative (DEPI)

Jul. 2025 – Jan. 2026

Hybrid

- Graduated with Honors and secured **1st Place** among nationwide participants for technical superiority.
- Designed and maintained scalable backend systems using **.NET 8** and **Clean Architecture**.

Assistant Manager & Head Cashier

Grab El-Hawy Store

2024 – 2025

Zagazig, Egypt

- Promoted from Cashier to Assistant Manager through demonstrated reliability, operations management, and team leadership.
- Managed daily store workflows, coordinated cash flow, and resolved customer service inquiries efficiently.

Freelance Software Developer

2024 – Present

Self-Employed

Zagazig, Egypt

- Developed custom web applications and delivered clean code solutions for diverse academic and commercial projects.
- Provided technical consultancy in system analysis, database design, and bug fixing using **.NET** and modern web stacks.

KEY PROJECTS

Shryan (Comprehensive Healthcare Platform) — *.NET 8, Clean Architecture, SQL Server*

- **Ranked 1st Place** in the Digital Egypt Pioneers Initiative (DEPI) nationwide competition.
- Architected a full-scale ecosystem connecting pharmacies and clinics, ensuring high system scalability.

Nabd (AI-Driven Diagnosis System) — *ASP.NET Core, ML.NET, Python, React*

- **Project Lead** for the senior graduation project, managing a technical team to build an intelligent healthcare platform.
- Engineered a centralized API and database schema using **EF Core Code-First**.

Kshaf (Sports Talent Scouting Platform) — *MongoDB, Express.js, Angular, Node.js*

- Developed a full-stack scouting application at NTI using the **MEAN Stack**.
- Implemented complex search and filtering algorithms to match talent scouts with athletes efficiently.

TECHNICAL & SOFT SKILLS

- **Languages & Frameworks:** C#, JavaScript (ES6+), TypeScript, .NET 8, ASP.NET Web API, Node.js, Angular, React.
- **Databases & Tools:** MS SQL Server, MongoDB, Git/GitHub, Postman.
- **Educational & Operations Tech:** LMS Portals, Classroom Management, Student Engagement, Progress Tracking.
- **Soft Skills:** Technical Mentoring, Simplifying Complex Logic, Leadership, Problem Solving, Communication.
- **Languages:** English (Professional Working Proficiency), Arabic (Native).
