Project Completion Document

- **Project Name:** One-Page Portfolio Website
 - **Client Name:** []
 - **Date:** November 13, 2025
 - **Prepared By:** [Seif ElMuselmani]
-

1. Project Overview

- **Objective:** The goal was to build a simple, modern one-page website to show the client's professional work (as a photographer).
 - **Scope of Work:** The project included designing and building a responsive website (works on mobile) using only HTML and CSS. The site has an "About Me" section, a "Gallery" section, and a "Contact Me" section.
-

2. Key Achievements

- **Highlights:**
 - Delivered a clean and professional website design.
 - Made sure the website is fully responsive and looks good on all devices (phones, tablets, computers).
 - Created an interactive photo gallery.
 - Added a working contact form.
-

3. Feedback Received

- **Client Feedback:**
 - **Feedback 1:** The client wanted to change the main color from blue to green.
 - **Response:** I updated the CSS files to use the new green colors and the client approved it.
 - **Feedback 2:** The client asked to add a link to their Instagram profile.

- **Response:** I added an Instagram icon and link in the "Contact Me" section.
-

4. Attachments (Included Files)

- **Included Files:**
 - A `.zip` file with all website files (HTML, CSS, Images).
 - A simple `README.md` file with instructions on how to upload the files to a web host.
-

5. Suggestions for Future Work

- **Suggestion 1:** We could add a "Blog" section to the site to share updates and improve Google search results.
 - **Suggestion 2:** We could provide an SEO (Search Engine Optimization) service to help the site appear in Google searches.
-

6. Closing Remarks

Thank you for the opportunity to work on this project!

- I appreciate your cooperation. If you have any questions or need help uploading the site, please feel free to ask.
- I look forward to the possibility of working together again in the future!
